5 III. Statement of Claim.

6 State here as briefly as possible the facts of your case. Be sure to describe how each
7 defendant is involved and to include dates, when possible. Do not give any legal arguments or
8 cite any cases or statutes. If you have more than one claim, each claim should be set forth in a
9 separate numbered paragraph.

10 The facts are, that, the Oakland PD
11 Acted recklessly by gunning down My
12 Son in 2002. It's sad and unfortunate
13 that license are issued to those
14 who don't have respect for human life.
15 My heart continues to ache daily by
16 the mere thought of killers still
17 roaming around loose. There has
18 been too much suffering over the
19 years and I can't seem to find
20 any solace until Justice finally
21 prevail. I've waited long enough for
22 Justice and a goodnight's sleep.

23 IV. Relief. A human life is priceless, but the
24 City of Oakland should make some amends.
Your complaint cannot go forward unless you request specific relief. State briefly exactly

25 what you want the court to do for you. Make no legal arguments; cite no cases or statutes.

26 I want the Courts research Departments to
27 find the necessary evidence to support
28 my claim, that the OPB did act w/malice

Statement of Claim III

Extension for pg 3

First I like to say there have been far too many issues surrounding my ^(SON'S) death that I find hard to digest. The coroners office findings, not findings, rushing my son to the mortuary without any consent. The bullet hole in the back of my sons head, I find this in itself to be a travesty and a forest. Justice there was no justice. In fact, the Oakland Police Dept, Coroners office, Mortuary, should all share equal blame, covering up, what is and always have been, an apparent (Homicide). . . . Police officers able to ride around and inflict misery and pain on others without having a conscience.

Today I am still gravely pained by the mere thoughts of my son being gunned down and left to die in the street like a rabid dog. I know that I will never have my son back, but I'm at least would like some comfort in knowing that he did not die in vain. If you are a father like I am or a Mother I am sure that you would feel the same as I do. I will continue to send a message to the judicial system until Justice is brought forth to those whom partaked in this unlawful act.

~~Statement~~ ^{TIX} of Elvin Cont pg 3

I am sure that I am not the only one who feels the pain of a lost loved one and my heart goes out to those who are suffering like am. So I'll continue to be an advocate for Anti Violence against anyone. My plight have been ^{is} difficult one, but I do believe in our System. ~~Things~~ Issues are not settled expiditionsly but they are concluded in a timely fashion, I'm hoping for resolution soon, it has been long enough for Justice.

Thank You
Sincerely
W. Elvin Hill

1 and Intentionally took the life of
